Easter Egg Challenge

If you haven't seen her yet... you will. Tracy Penantel is collecting money from all Sunday school classes to help with the cost of supplies for this year's Easter egg hunt for our Westlake children. Also, if you are interested in filling eggs, working the hunt or helping in any way, please let Tracy know as soon as possible.

Acts Team

A simpler name with the same mission, opportunities for sharing the gospel.

The Acts Team of WBC is sponsoring a Mission Project to help the Southern Baptist Conference Missionaries. This project will run during the month of February and it consists of assembling quilting materials for missionaries. Quilting is taught at the Learning Center for Missionaries before they are sent to the field. Not only does this give missionaries a form of relaxation, it is an opportunity to teach a craft to national people that they can use for a trade. This is a personal way to be able to share the gospel with those learning to quilt.

We want to provide some kits of quilting supplies for these mission projects. A kit is made up of the following items: 12" X 18" cutting mat, rotary cutter, extra blades for rotary cutter, 1 - 2 yards of fabric, white, tan or black thread, Quilters straight pins.

Ladies, when you go shopping, please take this list with you and purchase one or more of the items on the list. Gentlemen, you can help by donating funds to purchase some of these supplies, if you don't want to shop. There will be a box available in the vestibule to place your donations. We will give you weekly updates on the items collected. We will send the assembled quilting kits to SBCV at the end of February.

Thanks so much for you prayerful efforts for this project.
